- Equipped with the necessary operational skills to coordinate effective communication and the fastest response times
- On-site training will be conducted on an ongoing basis to also ensure that our officers are always on top of their game, providing you with first-class service, protection and above all, peace of mind.

VALUE ADDED SERVICES

Investigation Services

Integrity Testing

Guard Monitoring

COMMUNITY PATROL

We offer a Dedicated Proactive Vehicle Patrol service to participating suburbs, which connects residents to our 24/7 Control Room allowing our dedicated Community Officer to respond to reports timeously. The Statistics prove that since the we have implemented this service crime in areas has been massively reduced.

VOICE POLYGRAPH ASSESSMENTS

- We offer accredited Voice Polygraph testing ideal for:
- Pre-employment assessment
- Periodic testing of company staff to verify ethics
- Potential suspect testing which coincides with the investigation of incidents
