Broubart Security has become one of the Eastern Cape's leading and highly respected security companies over the last 27 years. On-site training will be conducted on an ongoing basis to also ensure that our officers are always on top of their game, providing you with first-class service, protection and above all, peace of mind.

### Community Patrol

Dedicated Proactive Vehicle Patrol service to participating suburbs, which connects residents to our 24/7 Control Room allowing our dedicated Community Officer to respond to reports timeously. The Statistics prove that since the we have implemented this service crime in areas has been massively reduced.

### Voice Polygraph Assessments

We offer accredited Voice Polygraph and Integrity testing ideal for pre-employment assessments to support criminal clearance verifications, periodic testing of company staff to verify ongoing ethics and valuable for potential suspect testing which coincides with the investigation of code of conduct incidents in the workplace.

### Security Officers

Our security staff are registered with the Security Officers Board and are free of any first schedule criminal records. To ensure their integrity our staff undergo ongoing psychometric testing and to ensure you receive the best service the receive specific training for your unique profile including firefighting and basic First Aid.
